

ACCEPT THE CHALLENGE:

Bring the Change!

“Be the change you want to see in the world”
Mahatma Gandhi

The National 4-H Congress Design Team challenges both youth and adult delegates to “Accept the Challenge” and help bring positive ‘change’ to others.

Designed to be an extraordinary experience in service learning, the 2008 National 4-H Congress will begin the fund raising efforts to build the second Clover House in Atlanta, Georgia.

However, this drive will be different.
We want to build it faster!

Each youth and adult delegate is asked to “Accept the Challenge” to donate \$20.00 at the 2008 National 4-H Congress event.

If every delegate and adults donates \$20.00, National 4-H Congress can raise approximately \$60,000 and in three years dedicate the 2nd 4-H Clover House. This great accomplishment will mark a historical milestone in the National 4-H Program by providing two quality houses to the community that has given so much to 4-H members.

Don't pass up the opportunity!
Bring your “CHANGE” to National 4-H Congress
and drop it in the box.

Donations accepted in form of checks or cash. Checks should be made payable to: Arkansas Ag. Development Fund. All donations should be turned into your State Youth Delegate Advisor for presentation at the Saturday morning general assembly.

1st Habitat for Humanity House dedicated in 2006
